Brunel University

Annual financial report for the year ended 31 July 2003

Scope of the financial statements

The financial statements comprise the consolidated results of the University and its subsidiary undertakings. The University's subsidiary companies consist of Brunel University Services Limited (BUSL) and an 'Enterprise' group of companies, with Brunel University Enterprises Limited (BUEL) as the holding company. BUSL and BUEL are wholly owned subsidiary companies of the University. BUEL itself has two subsidiaries, Brunel Science Park Limited (BSPL) and Episport Limited. The University's other subsidiary, Phalarope Limited (in which the University holds a 50.01% stake), ceased trading on 1 November 1999 and subsequent activity has been confined to the collection of receivables and the settlement of the company's liabilities to Brunel University.

BUSL was originally established as a shared service centre for the BUEL group, but became a wholly owned subsidiary of the University on 1 January 2003. It commenced, on 1 May 2003, a new trade as a Library Services company providing library services to Brunel University. BUEL was established to pursue activities that are not open to the University as a charity, principally through the commercial exploitation of assets held by, and generated within, the University. BSPL manages the Science Park activity on the Uxbridge campus.

The BUEL group had approval from the University to invest £135,000 of its 2002/03 profits into commercial exploitation activities. As a result of an adjustment to the amount of Corporation Tax that was paid in respect of the year ended 31 July 2002, a sum of £7,777 was donated to the University by Gift Aid. A further £116,481 was donated to the University by Gift Aid.

Basis of preparation

The financial statements have been prepared in accordance with the Statement of Recommended Practice - Accounting for Further and Higher Education Institutions, and in accordance with applicable Accounting Standards.

Results for the year

The Group's consolidated income, expenditure and results for the year to 31 July 2003 are summarised as follows:-

	2002/03 £000	2001/02 £000
Income	93,088	88,721
Expenditure	(90,887)	(87,376)
	-----	-----
Surplus before tax & minority interests	2,201	1,345
Taxation, sale of goodwill & minority interests	8	(35)
	-----	-----
Surplus attributable to the group	2,209	1,310
Depreciation attributable to revaluations	311	310
	-----	-----
Historical cost surplus	2,520	1,620
	-----	-----

The Group's total income grew by 4.9% compared with 6.1% in 2001/02, and the component elements of income and expenditure are shown in the Consolidated Income and Expenditure Account. The Group achieved a historic cost surplus of £2.52 million (2.7%) for the year, resulting in an accumulated income and expenditure reserve of £45.779 million.

Brunel University

Corporate Governance

The University is committed to exhibiting best practice in all aspects of corporate governance. This summary describes the manner in which the University has applied the principles set out in Section 1 of The Combined Code – Principles of Good Corporate Governance and Code of Best Practice (June 1998) insofar as they are applicable to Higher Education institutions. Its purpose is to help the reader of the accounts understand how the principles have been applied.

The University is an autonomous body established by Royal Charter. Like most public bodies it operates within a st

Brunel University Corporate Governance (cont'd)

The Finance Committee supervises all matters relating to the finance, accounts and financial regulations of the University, the investment of its funds, the receipt of its income and the expenditure thereof, and the management of its borrowings. The Finance Committee presents a report to each meeting of Council.

The Nominations Committee, in its recommendations to Council, seeks to ensure diversity, breadth and continuity of expertise amongst the membership of Council. It also undertakes succession planning with respect to the membership and leadership of committees.

The Remuneration Committee reviews and recommends the salary and conditions of service of the Vice-Chancellor and the severance arrangements of higher paid staff as defined from time to time in the Accounts Direction made by the Higher Education Funding Council for England. It also receives a report from the Vice-Chancellor on the performance of the senior management team.

The Audit Committee meets at least three times a year to consider reports from the External and Internal Auditors containing recommendations for the improvement of the University's systems of risk management and internal control and the management's responses and implementation plans. It also receives and considers reports from time to time from the Higher Education Funding Council for England. Whilst executive officers attend meetings of the Audit Committee as necessary, they are not members of the Committee. The Committee meets with the External Auditors and the Internal Auditor on their own for independent discussions at least annually. The Committee presents an Annual Report to Council.

Responsibilities of the Council of Brunel University

Independent auditors' report to the Council of Brunel University

We have audited the financial statements which comprise the consolidated income and expenditure account, the consolidated statement of total recognised gains and losses, the balance sheets, the consolidated cash flow statement and the related notes which have been prepared under the historical cost convention (as modified by the revaluation of certain assets) and the accounting policies set out in the statement of accounting policies.

Respective Responsibilities of the Council and Auditors

The Council's responsibility for preparing the financial statements in accordance with the Accounts Direction issued by the Higher Education Funding Council for England, the Statement of Recommended Practice - Accounting for Further and Higher Education Institutions, applicable United Kingdom law and accounting standards is set out in the Statement of the Council's Responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements, and United Kingdom Auditing Standards issued by the Auditing Practices Board. This opinion has been prepared for and only for the University and for no other purpose. We do not, in giving this opinion, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or in to whose hands it may come save where expressly agreed by our prior consent in writing.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Statement of Recommended Practice - Accounting for Further and Higher Education Institutions. We also report to you whether, in our opinion, income from funding bodies, grants and income for specific purposes and from other restricted funds administered by the institution, have been properly applied in all material respects for the purposes for which they were received, and whether income has been applied in all material respects in accordance with the institution's statutes and, where appropriate, with the Financial Memorandum dated 1 August 2000 with the Higher Education Funding Council for England, and with the Funding Agreements with the Teacher Training Agency and the Learning and Skills Council respectively. We also report to you if, in our opinion, the institution has not kept proper accounting records, the accounting records do not agree with the financial statements, or if we have not received all the information and explanations we require for our audit.

We read the other information contained in the financial statements and consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements. The other information comprises; the annual financial report and the corporate governance statement.

Statement of principal accounting policies (continued)

Pension schemes

Retirement benefits for the University's staff are provided by the Universities' Superannuation Scheme, the Teachers' Pension Scheme and the London Pensions Fund Authority Pension Fund. These are defined benefit schemes, each of which is described further in the Notes to the Accounts. Pension costs are assessed on the latest published actuarial valuations of the schemes and are accounted for on the basis of charging the cost of providing pensions over the period during which the University benefits from the employees' services. Unless it is considered prudent to recognise deficiencies over a shorter period, variations from regular cost are spread over the average remaining working lifetime of members of the schemes after

Net funds	(1,491)	(9,543)	(11,034)

32 Pension schemes

The three principal pension schemes for the University's staff are the Universities' Superannuation Scheme (USS) and the Teachers' Pension Scheme (TPS) for academic staff, and the London Pensions Fund Authority Pension Fund (LPFA) for other staff. The schemes are defined benefit schemes based on a final pensionable salary. The University also pays pension contributions into a personal defined contribution pension plan (at the same rate as USS contributions) on behalf of the Vice Chancellor.

The total pension cost for the University and its subsidiaries was:

	2002-03 £000	2001-02 £000
Contributions to USS	3,275	3,046
Contributions to TSS	394	329
Contributions to LPFA	1,043	919
Contributions to other pension schemes	58	5
Provision for ex-WLIHE pensions increases	73	81
Total pension cost	4,843	4,380

Universities Superannuation Scheme

USS provides a defined benefit scheme for employees of UK universities and some other employer

Bru

32 Pension schemes (cont'd)

FRS 17

It is not possible to identify the University's share of the underlying assets and liabilities in the scheme and hence, using the exemption under FRS 17, contributions to the scheme are accounted for as if it were a defined contribution scheme, with the cost recognised in the Income and Expenditure account being equal to the contributions payable to the scheme.

London Pensions Fund Authority

The University participates as an Admitted Body in the LPFA Fund which is administered in accordance with the Local Government Pensions Scheme Regulations 1997. The fund is valued every three years by actuaries, and the projected unit method is used in respect of the Active Sub-Fund in which the University participates. Each participating employer has their own contribution rate reflecting its long term future service rate, adjusted for the funding level in respect of past service.

SSAP 24

The assumptions and other data which have the most significant effect on the determination of future contribution levels, together with the employers' contribution rate, are as follows:

Date of most recently published actuarial valuation	31 March 2001
Investment returns per annum	6.3%-6.6%
Salary scale increases per annum	4.3%
Pension increases per annum	2.8%
Market value of assets at last valuation date	£2,853 million
Proportion of members' accrued benefits covered by the actuarial value of the assets	108%
Employer's contribution rate	9.8%

FRS 17

The following information regarding the LPFA pension fund is based upon the full actuarial valuation of the fund as at 31 March 2001, rolled forward to 31 July 2003 by Hymans Robertson, an independent firm of actuaries. The major assumptions are:

	At 31 July '03	At 31 July '02
Inflation	2.6%	2.4%
Rate of increase in salaries	4.1%	3.9%
Rate of increase for pensions	2.6%	2.4%
Discount rate	6.2%	6.0%
